Instructions

A pharmacy benefits manager must provide to the Iowa Insurance Division a quarterly report of all claims reimbursed **at 10% below and 10% above** the National

A PBM must submit the data requested in **each tab** of this file to the Division. **Data fields left blank will result in an incomplete submission of this required**

Filling in the tabs labeled as 'Iowa_Retail_Pharmacies' and 'All_Other_Pharmacies' will auto-populate the corresponding 'Web' versions of these tabs.

PBMs are required to publish the **'Web' tabs**, which are the last 2 tabs of this spreadsheet, on their website for 24 months after submitting the report to the Division. Those tabs are labeled as **'Iowa Retail Pharmacies_Web'** and **'All Other Pharmacies_Web.'**

A PBM may 'hide' the 'Contact Info and Instructions' tab and the non-Web tabs when publishing the 'Web' tabs on its website. To hide a tab, hover your mouse over each tab, right click, then select 'Hide.' To unhide, right click on any other tab, select 'Unhide,' highlight the hidden tab, and click 'OK.'
